

California Dental Practice Act and Infection Control

Joy Brack, RDA

Friday, November 14, 2025

8:00am • Registration & Breakfast | 8:30am–12:00pm • Class
SDDS Classroom | 2035 Hurley Way, Suite 200 • Sacramento

California Dental Practice Act

This course will review the laws, regulations, and ethical principles that govern dental practice in California.

Learning Objectives:

- Summarize the key provisions of the California Dental Practice Act.
- Identify recent changes to laws and regulations relevant to dental professionals, including the new laws pertaining to unlicensed dental assistants.
- Discuss ethical obligations and professional conduct.
- Describe the scope of practice, licensing requirements, and disciplinary actions.
- Implement best practices to maintain legal and ethical compliance in patient care.

Infection Control

The course will provide an in-depth review of the principles, regulations, and best practices for infection prevention and control within dental practices.

Learning objectives:

- Review of current infection control guidelines and regulations.
- Effective sterilization, disinfection, and aseptic techniques.
- Understanding and implementation of OSHA, CDC, and Cal/OSHA standards.
- Risk assessment and management to prevent disease transmission.
- Proper use of personal protective equipment (PPE) and barrier techniques.
- Strategies for creating and maintaining a safe and compliant dental practice environment.

\$199

4 CEU, CORE

Joy Brack, RDA, has continued her career in dentistry since 2005 where she graduated from Galen College in Modesto, CA as a dental assistant. She became licensed as a Registered Dental Assistant and built wonderful connections with her patients and dental community with three different dental practices through the years until she began a new career path spreading her passion for dental assisting to students in education. Joy has been in dental education since 2011 and has worked in positions of instruction, Program Director, curriculum expert for Modesto Junior College Dental Assisting Program and PATCH (Professional Advancement Towards Clinical Healthcare) 80-hours Course, and American Heart Association BLS Instructor.

This course fulfills the California Dental Board's requirements for licensure renewal.
